Quotes from October '09 Conference:

"The Live 2:6 relaunch of Sonlife Classic is just what the doctor ordered. I saw war hardened veteran movement leaders from around the country stand in solidarity and commitment to stand up, speak out and step out in faith trust God for a mighty movement of His Spirit which will exalt Jesus and bring glory to the Father. There is no doubt in my mind that God is in this new movement Live 2:6. I was challenged to "walk as Jesus walked" full of grace and truth, in humble obedience to the Father, taking on the nature of a servant. Thank you Dann, Don, Steve, Josh, Amy and Spread Truth for all your work to make this relaunch a reality. It is our time, our chance, our challenge. May we Live 2:6."

You did a great job of casting vision for 2:6 but more importantly for a living out the message and the method of Christ. I was truly freshly inspired and encouraged. It was sooo good to see people and a ministry focused on and flowing from scripture. I also appreciate that you created some real flexibility into the model and allow some room for different perspectives and insights. Most of all, it was encouraging to be around leaders who are focused on CHRIST rather than mere leadership and the advancement of the Gospel. Thank you.
